

HAZARD NOTICE

This is a work place, and a number of hazards exist which cannot be eliminated. Rural and forestry property hazards that may be encountered include but are not limited to:

Trees, buildings, access tracks, Livestock, farm machinery and natural hazards, Electric fences, Slippery ground surfaces, Uneven ground including steep slopes and banks, Fruit on the ground (avocados, citrus, kiwifruit, etc.), Workers and contractors, Stock yards and gates, Drains, ponds, streams, Trees, branches, sticks, Orchard structures (wires, agbeam, posts, protruding nails, sharp objects, etc.), Chemicals and fertilizers, Irrigation equipment and bores, Holes in the ground, Animals (including dogs), Machinery (mowers, sprayers, graders, etc.), do not climb on or operate machinery!

To minimise the effect of hazards during your visit we ask that you comply with the following requirements:

- 1** You enter the property at your own risk and you will not hold the landowner or Forestry Sales Limited (trading as Searle Forestry) or its licensees liable for any loss and/or harm and/or damage suffered.
- 2** Do not venture off the track with your vehicle under any circumstances – there are dangerous hazards which may include steep sidings, bluffs and holes which could cause serious injury to you and/or your passengers.
- 3** You will comply with all instructions given by the licensee/s or our vendors at any time.
- 4** You are responsible for all people who accompany you. All children are to be supervised by an adult while on the property.
- 5** If you take any vehicle onto the property, it must hold a current WoF, be in good working condition and suitable for use in the conditions. You must hold a current drivers licence and have sufficient driver training and/or experience to operate the vehicle.
- 6** In the event that such a vehicle is an ATV, it is to be operated strictly in accordance with the conditions set out in the "Agriculture Guideline – Safe Use of ATVs on New Zealand Farms" and the manufacturer.
- 7** Please keep your vehicle to the obvious tracks and away from all slopes and apparent hazardous areas.
- 8** Keep your speed below 30km/hr maximum. Please be courteous at all times.
- 9** Caution is required with any livestock.
- 10** Smoking and setting fires is prohibited in all buildings and anywhere on the property.
- 11** You will not trespass onto neighbouring land.
- 12** You use best endeavours and not cause any damage to the property. If any damage does occur, you will notify the licensee/s or vendors immediately.
- 13** Parts of the tracks may be steep, and/or the surface may be slippery, particularly during or immediately after rain, therefore you should operate your vehicle in four wheel drive during the time you are on the property and/or avoid such problem areas.
- 14** You will take care to keep yourself safe and avoid the hazards noted above, as well as any other hazards.
- 15** You will leave all gates and fences as you find them. Please treat all fences as being electric, and that they are "live".
- 16** When you leave the property, you will report back to the licensee to confirm that you and all people accompanying you have left the property.
- 17** Your pets must stay in your vehicle at all times while on the property.
- 18** Do not drink any water from taps unless advised.

If you have any questions or concerns please advise the licensee immediately.

Hazard Notice:

I/we acknowledge that I/we have received a copy and have read the Hazard Notice and are aware of our obligations under the Health and Safety at Work Act 2015 to comply with the direction of such notice and of the Licensee and Staff of the Vendor. (Please ensure all people in our party read the Hazard Notice).

I/we voluntarily accept all the risks known and unknown of visiting and inspecting this property.

I/we indemnify the landowners, lessees, management and Forestry Sales Limited (trading as Searle Forestry) as licensees against all damage, loss and liability arising from my access to this property.
